PROF. V. O. GILBERT

Candidate For Office of Superintendent of Public Instruction.

Prof. V. O. Gilbert, present Assistant Superintendent of Instruction, is receiving many endorsements throughout the State for the office of Superintendent of Public Instruction.

Instruction, for which he is a candidate, subject to the action of the Democratic party in the primary of August 7. Prof. Gilbert's friends and supporters aver that because of his experience gained in his present position he is the logical candidate for the office and that his good record is deserving of promotion the same as in any other business or walk of life. He has been connected with the public schools in different capacities for over thirty years and during that time has served as teacher in county schools, County Superintendent, City Superintendent, and for more than six years a member of the faculty of the Western Kentucky State Normal School. Prof. Gilbert's platform is one that appeals to the citizens of all classes and is as follows:

"First—To administer the office of State Superintendent as economically as it can be done, consistent with efficiency.
"Second—To co-operate with the County Superintendents of the State, and to aid them in every possible way in the great work of building up an efficient system of schools. My policy shall always be to help, not to hinder.
"Third—To make the department of education serve the classified cities in every possible way. To this end I shall seek for ways to serve the city boards of education and city departments.
"Fourth—To co-operate in every possible way with the boards of which the State Superintendent may be a member.
"Fifth—To the organization of courses of study, so as to adjust the educational machinery and work of the schools to the practical living needs of the community at large, and to hold constantly before the children examples of temperance, culture and good citizenship.
"Sixth—To co-operate especially with the illiteracy commission. The State Superintendent is made by law a member of this commission, and I shall most heartily co-operate with the commission in its great work of eliminating adult illiteracy and illiteracy in general."

TWIN CITY LEAGUE.

Another banner crowd attended the Fourth of July games of the Twin City League last Sunday and were rewarded by witnessing some exciting contests and sterling ball. The feature game between the Champs and Imperials being spoiled by the action of Manager Eschmann, of the latter team, who withdrew his club from the field in the seventh inning because of a decision of the umpire, injuring not only the chances of his team but giving a black eye to the league's slogan of "clean ball." No one admires a quitter in any sport or walk of life and there can be no defense for the action of the Imperial manager. The game resulted in a 7 to 5 victory for the Champs. Bertrand beat Trinity 9 to 4. K. of C. won over the Bruins 10 to 8, and Olympics vanquished Mackin in a 4 to 2 game. Every player in the league is interesting friends in the annual field meet, which takes place at Eclipse Park next Sunday, and it is the duty of every fan or fanette to support this meet in a financial way as part return for the splendid ball furnished this season. One hundred and fifty dollars in gold will be awarded on that date as a special feature. Manager Cline, of the K. of C., promises a surprise tomorrow for the Champs, having secured Bohannon, the star twirler, against the Champs. Trinity vs. Imperials, Bruins vs. Mackin and Bertrands vs. Olympics are the other games. Standing to date:

Champs.....	11	1	.917
Olympics.....	9	2	.818
Bertrands.....	8	2	.800
K. of C.....	5	5	.500
Bruins.....	3	7	.300
Mackin.....	3	7	.300
Trinity.....	2	9	.182
Imperials.....	1	11	.083

GOOD FERRY BILL.

There are many black-face comedians on the stage today, but there is only one Bert Sward—he of minstrel fame. Dear old comic and entertaining Bert will be in our midst next week, opening an engagement at the Fontaine Ferry Park Theater beginning with the matinee tomorrow afternoon. Others on the excellent bill are the Pantzer Duo, Max Laube, Lou Lockett and Jack Waldron and Selma Brantz, a comely female juggler. With the coming of the sultry summer days there is a continual increase in the attendance at the park. Not only are the devices proving more popular with the people, but the swimming pool is perhaps showing the most noticeable increase in business, and the management is highly elated over this fact, feeling as it does that the months of July and August will prove banner ones for the park.

ALVIN STEGER

Making Winning Race for Clerk of the Court of Appeals Nomination.

Judging from the expressions of opinion of newspaper men and political leaders throughout the State Alvin Steger, of Owenton, has made a runaway race of it for the Democratic nomination for Clerk of the Court of Appeals, he being popular with all factions and organizations in the Democratic party. Mr. Steger has long served as Clerk of the Owen Circuit Court, being eleven years in office, and this experience in the opinion of many has well fitted him for the office to which he aspires. In 1913 he was elected President of the Kentucky Association of County and Circuit Clerks and the members of this body throughout the State are now his loyal and staunch supporters. Mr. Steger has made a canvass of the State during the past few weeks and is more than pleased at the many kind offers of support which have come to him unsolicited. In this district, the banner one of the State from a Democratic standpoint, it is expected he will receive a handsome plurality, having made many friends here among the Democrats in general.

G. B. LIKENS

Making Active Canvass of State for Nomination for Secretary of State.

G. B. Likens, candidate for the Democratic nomination for Secretary of State, was in this city the past week and expressed himself as being satisfied with the result of his canvass in the different State districts. Many offers of support have come to him unsolicited because of his record in the Auditor's office during the present administration, and Democratic leaders and officials say that he would make an excellent asset on the ticket for the November election. Mr. Likens' past record in the Democratic ranks entitles him to favorable consideration, belonging to what might be called the Woodrow Wilson type of Democrats, beginning his career as principal of the High School at South Carrollton, serving there for two years before venturing on a political career. He is popular alike with all classes, his Democracy being sound in every way, this attribute giving him a large following in his native balliwick, Hartford, where he has served as Chairman of the Democratic Executive Committee of Ohio county for four years. His friends assert that he will be given a record breaking vote in the coming primary.

SID DOUTHITT

Candidate for Railroad Commissioner Subject to Action of Democratic Party.

Sid Douthitt, of Henry county, is receiving much encouragement in his race for the Democratic nomination for Railroad Commissioner in the Second district, and claims that he will receive a substantial plurality in the August primary. This district is composed of the following counties: Adair, Anderson, Bullitt, Boyle, Casey, Carroll, Clinton, Cumberland, Fayette, Franklin, Gallatin, Garrard, Green, Henry, Jefferson, Jessamine, Lincoln, Marion, Mercer, Nelson, Oldham, Owen, Pulaski, Russell, Scott, Shelby, Spencer, Trimble, Taylor, Washington, Wayne and Woodford. Mr. Douthitt has been Circuit Clerk of Henry county for the past twelve years and has obtained a following in that section who are now boosting his candidacy for Railroad Commissioner. He is known all over the State to the many Democratic leaders in every section, all paying tribute to him as an official and citizen. Mr. Douthitt is a man who is in every way qualified for the position he seeks. He has great executive ability, is one of the best posted men of the day, a splendid man of affairs, and above all he is a Democrat whose devotion to his party makes him one of the best workers it has. He would make a fine Commissioner, and wherever he goes during his campaign his popularity follows and overtakes him.

HOLY ROSARY ACADEMY.

Holy Rosary Academy, now located at 418 West Ormsby avenue and presided over by the Dominican Sisters, has purchased the splendid property at the northeast corner of Fourth and Park avenue, extending 126 feet on Fourth and 190 feet deep, and will erect thereon a school building that will rank with the finest in the country. Holy Rosary has educated many pupils of this city, and the increase in numbers necessitates the larger school.

MEET MILLERS.

The Louisville team will play Joe Cantillon's fast coming aggregation tomorrow, Monday, Tuesday and Wednesday, and as predicted in these columns are due for a battle royal, the wily veteran having a rejuvenated team, which figures to be a first division contender, despite many wiseacres, who hurriedly selected Minneapolis as cellar place contenders. After leaving Minneapolis the Colonels will go to Kansas City for three games, then to Milwaukee for four games, returning home July 23 to open up with their hoodoo opponents, the Cleveland aggregation, which to date has beaten Louisville nine out of fifteen games. The fans are glad to see "Red" Corridon back in the lineup, his presence making the team 25 per cent. stronger, and if the annual award of merit was given at this time the little sorrel top would rank first easily. Most pleasing to the fans and public in general was the generous attendance at the Indianapolis games and for once Owner Wathen got more than an even break with Jupiter Pluvius.
